

Opening of new IEE office in Beijing

Luxembourg 22nd February 2006 – IEE, a leading developer and producer of sensing solutions and technology, has announced the opening of a new office in Beijing, China, together with its Sales Distributor Kai-ming Corporation, as part of a continuing commitment to facilitate communications with customers world-wide. The creation of this new office means that IEE now successfully operates 4 customer service centers worldwide.

The IEE office in China serves customers in China and in the Far East and will respond directly to customers' requests and inquiries for all IEE sensing products. The office opening is expected to strengthen IEE's presence in the region. The location in Beijing is obvious; it enjoys the proximity of existing and potential customers.

At present the IEE office in China employs 2 persons, but their number is expected to rise by the end of the year 2006, especially when the new IEE factory in Langfang open its doors.
